“Our Bruno chair was a wise and wonderful investment into our home to ensure that my husband and I can remain in our home for years to come.”

ELITE CURVE OPTIONS

Top or bottom park position extends rail away from the staircase.

Power folding footrest automatically flips up/down when seat is raised/lowered.

Power swivel seat for effortless exit. Controlled on chair arm or wireless call/send.

Mid-park and charge station for staircases with middle landings.

Custom made specifically for your home.

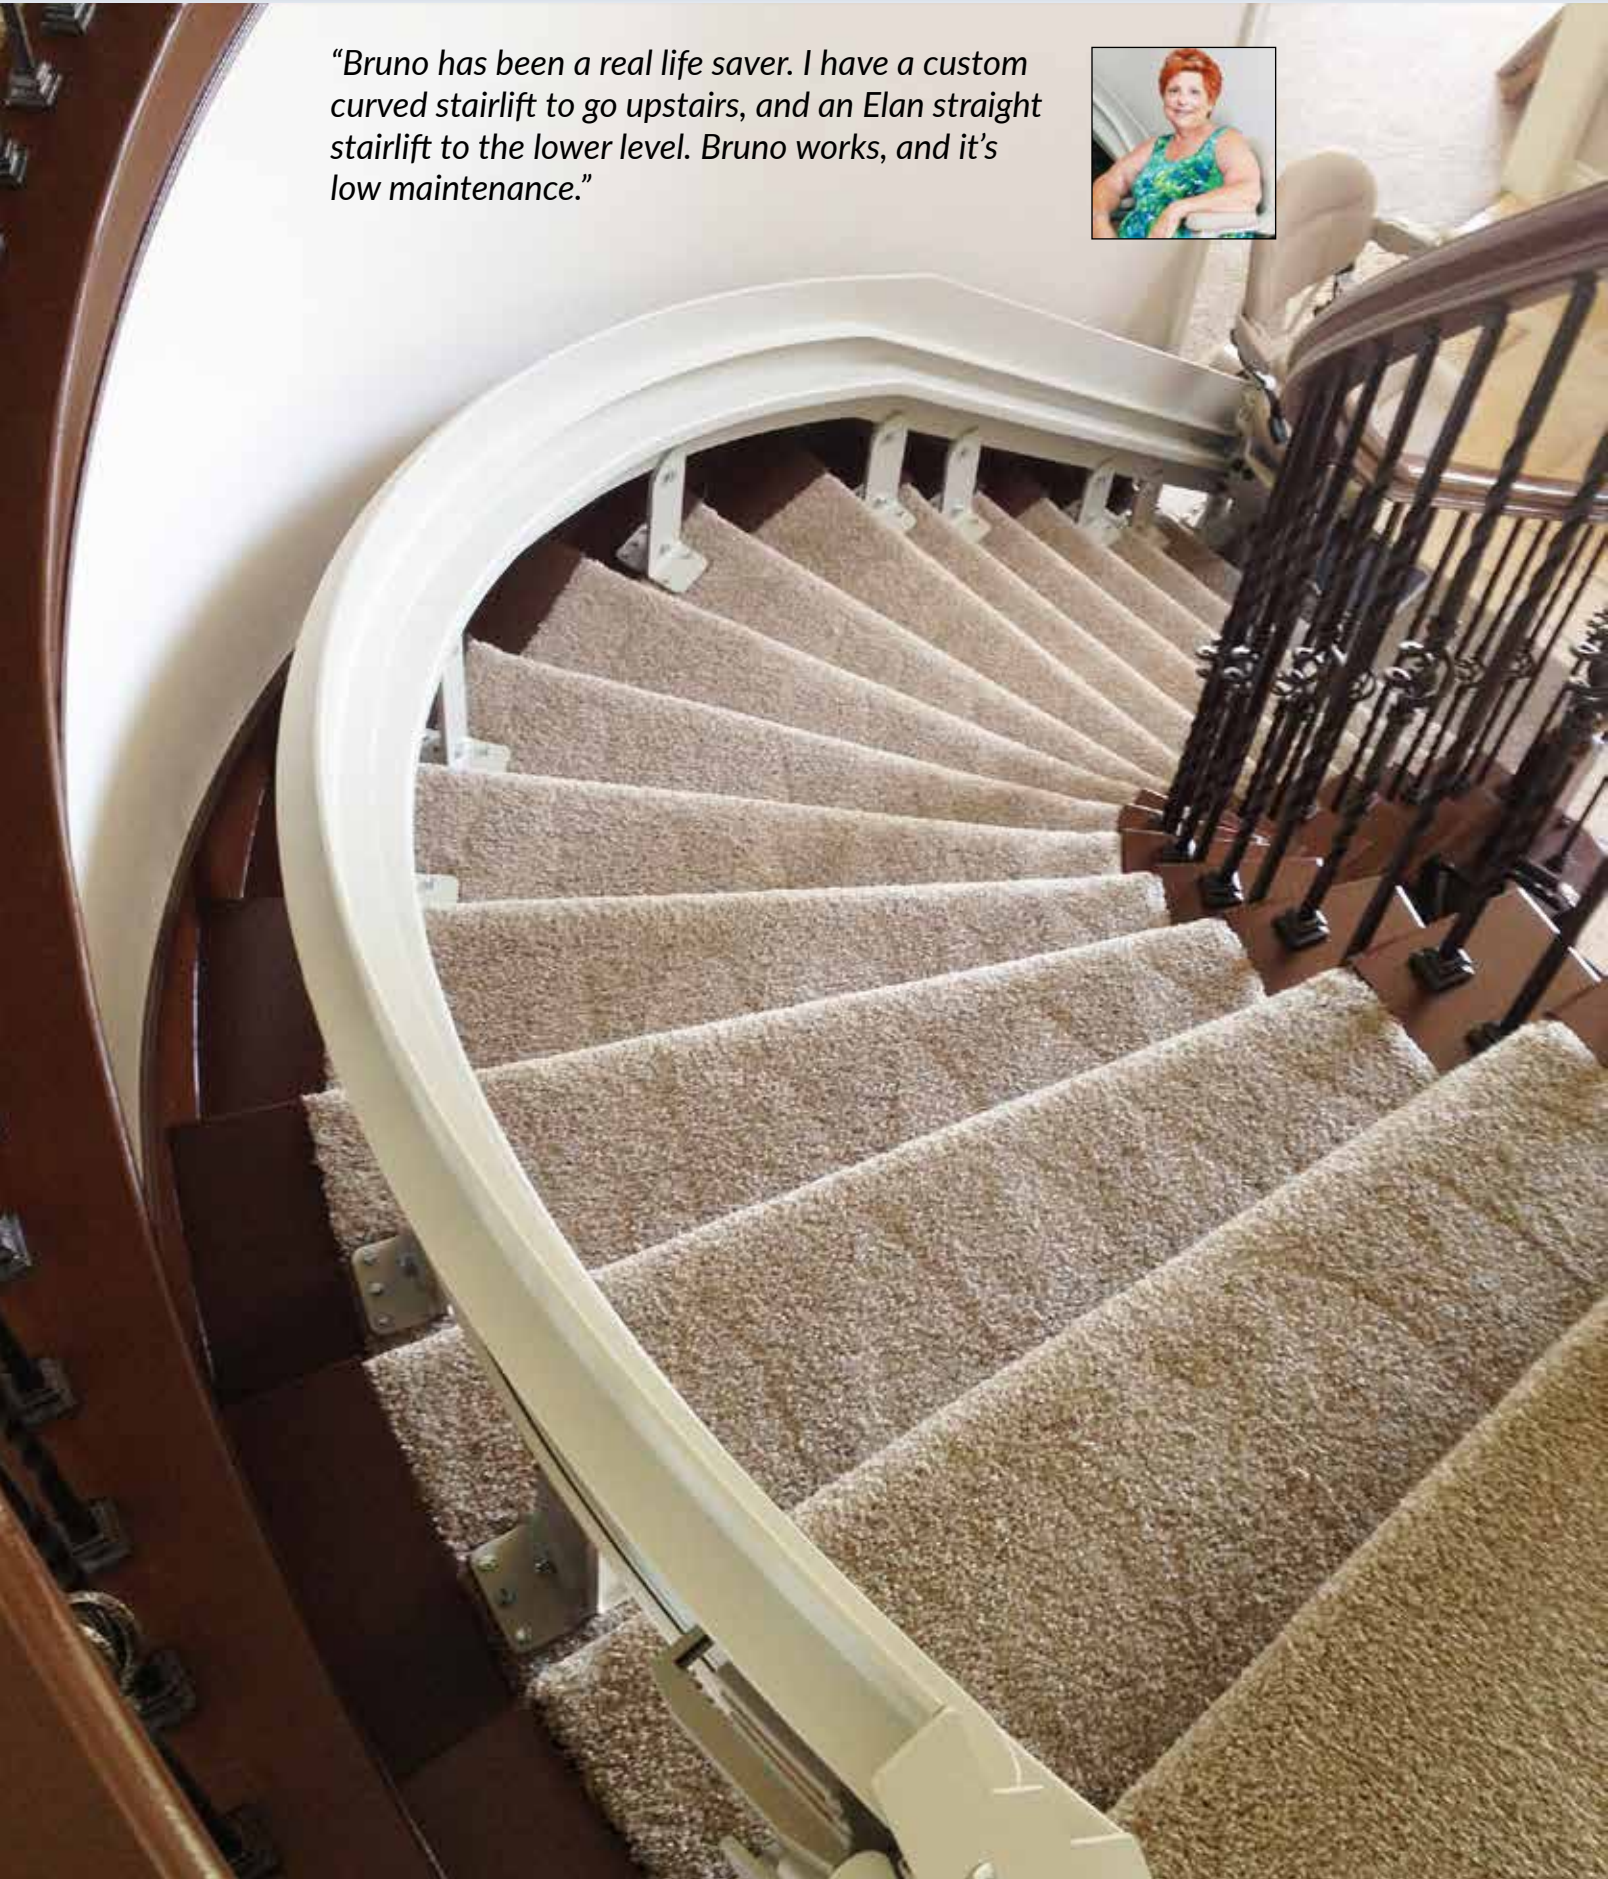

Manual offset swivel seat makes it easy to get on/off. Add the power seat option to make it effortless.

Crafted for a precision fit around curves.

"Bruno has been a real life saver. I have a custom curved stairlift to go upstairs, and an Elan straight stairlift to the lower level. Bruno works, and it's low maintenance."
